| Ships Log book | <input type="checkbox"/> | <input type="checkbox"/> |
| Operating manuals | <input type="checkbox"/> | <input type="checkbox"/> |

Additional Note: Please add anything additional you think would help at this stage.

This is not by any means an exhausted list of checks but I am sure you will agree it's enough to start with. It will be at the discretion of our skipper as to whether any faults found or items not aboard will detract from sailing & so having to effect repairs as per our contract. Photographs should be taken if necessary. If you feel there is anything not covered please let us know.
